The University of Exeter, Exeter Law School, United Kingdom, Full Time.

- Ph.D. thesis supervisor and examiners:

Prof Chantal Stebbings

Emeritus Professor of Law and Legal History, the University of Exeter.

Connection: Ph.D. thesis supervisor.

Prof Rob Merkin, King's Counsel

Former Lloyd's Professor of Commercial Law, the University of Exeter.

Connection: Ph.D. internal examiner.

Prof Ann Mumford

Professor of Taxation Law, King's College, the University of London.

Connection: Ph.D. external examiner.

- The Fox Family Prize for the Best Ph.D. in Law was awarded. The recognition was conferred by the University of Exeter Law School based on the merit of the submitted thesis and overall performance as gauged by the selection committee, the supervisor's comments, the internal as well as the external examiners' reports.

Master of Taxation

The University of Melbourne, Melbourne Law School, Australia, Full Time.

Bachelor of Accountancy

Nanyang Technological University, Nanyang Business School, Singapore, Full Time.

Military Service

Singapore Armed Forces, Republic of Singapore, Full Time.

- Completed 2½ years of military training and service as a combat infantry non-commissioned officer.

2. Professional Experience

Senior Lecturer (Present)

The Chinese University of Hong Kong (CUHK), School of Accountancy, Faculty of Business Administration, Full-Time.

Experience

- Taught taxation and related subjects to CUHK's undergraduate as well as graduate students who mainly came from its BBA in Professional Accountancy (PACC) and Master of Accountancy (MACC) programmes.

Accomplishments

- Recipient of the 2022/2023 CUHK, Faculty of Business Administration, Faculty Teaching Merit Award
- Recipient of the 2021/2022 CUHK, Faculty of Business Administration, Faculty Teaching Merit Award.
- Recipient of the 2018/2019 CUHK, Faculty of Business Administration, Faculty Teaching Merit Award.

Entrepreneur

Hong Kong Bicycle Ltd, Full-Time.

Experience

- Established the Hong Kong Bicycle Ltd (the company) to distribute, retail and manufacture high-end bicycles and related products in Hong Kong and China with the conviction to face the challenges as well as to ride on the triumphs of being my own boss.
- Commenced operation as a one-man company and travelled extensively for trade shows and training on high-end bicycle set up and repair.
- Set up a three thousand square feet retail shop in downtown Hong Kong. Attained extensive experience in estate selection and management as well as shop design.
- Nurtured the company into a reputable bicycle hub and established a team of employees with diverse credentials ranging from marketing, information technology, administrative and technical backgrounds to ensure sustainability of the company under tough market competition.
- Accountable for sales, distributor relationships, quality of technical services provided and liaison with manufacturing to ensure coordinated effort to meet budgeted and sales expectations.
- Developed as well as monitored the company's accounting, point of sales and internal control system. Regularly performed analyses of sales figures, sales cost and return on investment to steer the company along a strong growth path.

Accomplishments

- Generated yearly net profit equivalent to more than 100% of the capital investment within two years from the business commencement date.
- Expanded sales network from the initial single location in Hong Kong to many novel geographical regions in China including Macau, Chengdu, Kunming and Urumqi in Xinjiang, as well as Huhehot in Inner Mongolia.

Lecturer

The University of Hong Kong (HKU), Business School, Faculty of Business and Economics, Full-Time.

Experience

- Appointed as subject leader and taught Hong Kong Taxation as well as Auditing to the HKU's undergraduate students who mainly came from its BBA(Acc&Fin), BBA(Law) & LLB and BEcon&Fin programmes. The class strength was usually more than 150 students per semester. Prepared original lecture notes and PowerPoint presentations. Conducted interesting and yet effective lectures that were well received by the students. This was consistently reflected by students' evaluations to indicate the lectures were delivered with passion, good communication and presentation skills.
- Credited for instrumental role as the first facilitator and coordinator for the HKU School of Business's Professional Preparation Programme.

Accomplishments

- Received Letters of Commendation issued by the HKU Director of School of Business, Faculty of Business and Economics on various occasions in respect of the courses delivered; they were rated by the students in the top 30% of courses (of approximately 50 subjects offered by the school each semester) in terms of lecturer's effectiveness and course design.
- Recipient of the 2004/2005 Outstanding Teaching Award by the HKU's Faculty of Business and Economics in recognition of excellent teaching, relentless involvement in curriculum design and services provided to the faculty as well as the accounting profession.
- Recipient of 2005/2006 Outstanding Teaching Award by the HKU's School of Professional and Continuing Education in recognition of excellent involvement in coaching working adults who wished to gain or update accounting and tax knowledge during seminars conducted after office hours.

Tax Manager

KPMG Singapore and Hong Kong, Full-Time.

Experience

- Acquired knowledge of state-of-the-art audit and tax practices and procedures followed by KPMG.
- Took a sabbatical opportunity to sharpen international tax skills at the University of Melbourne.
- Experienced in serving reputable local companies in Singapore and Hong Kong as well as multinational clients investing in the respective localities, in matters pertaining to taxation.
- Provided tax management services for corporate clients in all facets of tax engagement, including client briefings and discussions, delegation of assignments, staff motivation, formulation of correspondence to the tax departments, preparation of tax compliance as well as advisory work and client relationship maintenance.

Accomplishment

Achieved fast track promotion within three-and-a-half years of hire from graduate assistant to become a tax manager at KPMG.

3. Professional Membership

Chartered Accountant

Institute of Singapore Chartered Accountants.

Full Member

The Royal Historical Society.

4. Research and Teaching Interest

Research Interest

- Historical doctrinal investigation of the evolution of tax laws involving Britain and its former colonies such as Hong Kong and Singapore to explain why the laws were as they were. Exploring the historical development of the tax laws in Hong Kong by non-doctrinal eclectic analysis to focus on the nexus between changes in the tax laws and the financial imperatives, social, economic and political forces that shaped the laws. The future path of tax laws is indicated in the light of the historical background, present circumstances and foreseen contexts.

Teaching Interest

- Taxation in Common Law Jurisdictions.
- Hong Kong Taxation.
- China Taxation.
- International Taxation.
- Legal Research Methods for Taxation.

- Tax Philosophy.
- Tax Policy.
